After consultations between the Organizers (SCCA Pro Racing), the Clerk of the Course and the Promotor's representatives regarding available session lengths, the Organizers have amended the timetable, and hereby notify all competitors of that amendment.

The length of Free Practice 1 (noted on the schedule as Practice) for both FR Americas and F4 US series will be 25 minutes each, from release of cars to the display of the Checkered Flag.

The length of Qualifying sessions for the FR Americas and F4 US series will be 25 minutes each, from the release of cars to the display of the Checkered Flag.

This matter will be discussed further in the Drivers Briefing by the Race Director.
