

F4 Competitor Advisory Memo

No: CAMF4-2021-019
Date: September 8, 2021
Subject: Style Guide Updates

We have updated the 2021 Style Guide to reflect a few additional partners that are new featured on the cars.

Please take a moment to review the attached guide and review the additions. The first set of decals for additional partners will be provided to all teams, if you didn't already receive them. Any additional or spare decals can be purchased. Be sure to pick up any outstanding decals from the Championship trailer at the next event.

[For easy reference, we've added a Style Guide page to the website.](#)
