

F4 Technical Regulation Bulletin

No: TRBF4-2022-002

Date: May 17, 2022

Subject: Fuel Line Update

The following bulletin outlines the mandatory upgrade for the fuel lines to the Ligier JS F4.

Due to the timeline of when this bulletin was released, the upgrade is recommended for Road America and required for all events afterward.

Please download the bulletin for more details and reach out to Ligier to place your order:
